4th December 2018

Dear Neighbour/Norton Parish Hall user,

It has for some time been the Parish Council's intent to part re-surface, re-define and generally tidy up the Parish Hall car park, and following a lot of preparatory work, which has included ditch-clearance, re-location of the Pre-school container, and removing the old oil tank, the work is scheduled to commence between 6th & 11th December 2018 (with any work on 6th/7th December likely to involve preparatory work). It is anticipated that it will take approximately three weeks work, and allowing for Christmas and New Year holidays, and barring any unforeseen eventualities such as extreme weather, it is hoped to be completed by Wednesday 9th January, in time for the Pantomime to commence on Thursday 10th January with the new car park fully operational.

During the work it is inevitable that some disruption will take place, though the intention is that the car park remains in use throughout, the work being conducted in phases, and the contractor has already been given a predicted schedule of use for the Hall and Pre-school for the period in an attempt to de-conflict as much as possible. He has also been instructed to be mindful of immediate neighbours to the site, though plant movement on and off site and plant noise while conducting the work will be a necessary evil for its completion.

It is hoped that disruption to immediate neighbours and Hall users alike can be kept to a minimum, but should an issue arise which proves beyond reasonable tolerance, please contact the Parish Council using the email address: [njkc.carparkworks@gmail.com](mailto:njkpc.carparkworks@gmail.com).

Very best wishes for Christmas and the New Year,

Kevin Fincher

Cllr K J Fincher
Chairman, Norton-juxta-Kempsey Parish Council
