

Bredon, Bredon's Norton and Westmancote Parish Council

The minutes of Bredon Parish Council meeting held at Bredon Village Hall on Monday 7th July 2014 at 7.15pm.

Present: Cllr's Mrs Alison Palmer, Mrs Gail Whiting, Mr Stuart Bird, Mr Matt Darby, Mr Kevin Falvey, Mr Phil Handy (Chairman), Mr Andrew Rhodes, Mr Declan Shiels and Mr Rob Sly.

In Attendance Ms J Shields (Clerk), Mrs Bernie Hartley, Mr David Meikle, Mr Peter Whitehead and PC. Sean Woods.

Mrs Hartley asked if a plaque in memory of Dominic could be placed by his memorial tree on the playing field.

Mr Meikle thanked the council for the presentation at the recent planning meeting. He is concerned that horse riders are using the footpaths across the hill as bridleways; the footpaths are very narrow in places and the horse manure is not pleasant for walkers. County Council Notices being placed, informing users that it is a public footpath, are removed. When users are informed they are not very polite, this usage has been increasing over the last 18 months and the hill is becoming a 'destination'.

Mr P Whitehead updated the council on the potential development site at the rear of Perwell Close.

Clr Rhodes on behalf of Mr T Onions (on holiday and unable to attend) voiced his concerns regarding speeding through Kinsham.

PC S Woods introduced himself and explained that he was the only Police Officer covering Pershore Rural North and South (54 villages), and his PCSO J Pardoe was on long term sick leave, however PCSO S Sinclair is reaching the end of his probationary period.

PC Woods will carry out 'speed surveys' in Kinsham, he will also inform the 'Safety Camera Partnership' and ask Mike Digger if he will organise speed strips. However it may be that the perceived problem is great than the actual.
