4 Annual Parish Meeting Questions from the Public:

Ham Bridge visibility problems. This is an ongoing concern which has been raised with Clifton Parish Council for many years. It is understood a tractor sign has been placed near the junction which, it is hoped will slow traffic coming downhill.

Trees. There are two overhanging trees near the quarry upon which remedial action may need to be taken.

With the increased activity at **Shelsley Walsh Hill Climb** can visitors be reminded to drive slowly? The Breakfast Club visitors especially are approaching the village too fast. The Chairman to raise the matter with the Hill Climb.

Grit Bin at Fetterlocks. The slope at the end of Fetterlocks Lane is difficult for school bus. Gritting routes to be checked.

Housing development. With the housing applications at Martley and Clifton is there to be any development at Shelsley? Shelsley has not been designated any housing.

5 Members of the Public Reports for items for future agenda.

None were raised.
