'It is a pity that the setting of the Manor has already been degraded by the three existing sheds set so far in front of it. It would be appalling to have another one even further in front. The Agent acknowledges this but suggests that as it is lower it will help hide the existing!!! The new shed should ideally go behind the existing ones where it will be out of sight from the road and any views of the front of the Manor. This will no doubt be less convenient but this is the grandest building in the Parish and should be protected.'

5. Decide on any future action/support for 'SmartWater' crime prevention in the parishes.
