

APPENDIX

Photographs of the public footpath deemed suitable by the Developer for daily commuting

FIGURES 6.1-6.2: Stile access from Wyre Hill and embankment from the stile to footpath

FIGURES 6.3-6.4: Waterlogged conditions on footpath and railway crossing adjacent to path

FIGURES 6.5-6.8: Conditions along the footpath on approach to the Industrial Estate

FIGURES 6.9 & 6.10: Stile entry into Pershore Trading Estate

FIGURES 6.12-6.15: The route the public footpath follows through Pershore Trading Estate toward Pershore, via Keytec Industrial Estate.

FIGURE 6.16: The route toward Pershore railway station via Pershore Trading Estate.

NB: Due to the dangers of increased Heavy Goods traffic movements during the normal working week, photographs were taken over a weekend period so will illustrate quieter than usual traffic conditions on the industrial estate.
