Recreation Ground Consultation

Ripple Parish Council (RPC) owns the Recreation Ground and the slope leading down to the public footpath (see plan).

To date this space has been under-utilised as a recreation area for residents of all ages.

RPC is seeking funds to transform this valuable asset for the benefit of all residents but we understand there will be different views on this which is the reason for this questionnaire.

The current contours of the land limit the options for the space to be better utilised therefore, before RPC proceeds we wish to canvass your views as to how best to use this space, but please note that some options are likely to require subsidy in future e.g. for maintenance and repairs.

Would you prefer to leave this space as it is Yes No

Would you prefer to create:-

- b. A dog walking area Yes No
- c. A viewing station over the River Severn Yes No
