Hop Pole Diary, Stoneford lane, Bretforton

Erection of dairy managers dwelling

Response: Bretforton Parish Council has largely no objections to this application, however councillors have raised concerns that this is a backdoor application to build a house and that the proposal is quite large. On another note though an on site manager may be able to ensure that matters such as the overgrown footpath would be seen and dealt with.

32 Main Street, Bretforton

Conversion of old forge into additional accommodation for the house.

Response: No objections.

Bretforton Grange, Main Street Bretforton.

Proposed works to include replacement of internal doors, additional bathrooms, replacement of uPVC window with timber

Response: Bretforton Parish Council has no objections to this application, however, we suggest that stainless steel ironmongery is not used, but is replaced by artisan wrought iron or similar of a type that is readily sourceable

Approved:

W/19/01015/FUL 108 Station Road, Bretforton

New build dwellinghouse.

W/19/01562/LB The Fleece, The Cross, Bretforton.

To remove the existing 20th Century bay window, which is now rotten and is beyond repair, and replace with a new window of the same design, materials and detailing.

Date of next meeting; Monday 14th October 2019.
