#### **Followed by:**

#### **The Property & Home Security Roadshow**

Following the Annual Parish Meeting, we are pleased to welcome Elliott Nixon, Community Safety Officer, WDC and colleagues who will lead a discussion on the best ways to reduce your chances of being burgled. Many burglaries are “spur of the moment”, as a burglar may see an open window or other point of entry and take their chance. There will also be the opportunity for personalised advice plus free security items to assist with burglary prevention such as locks and car key wallets.

And if you can stand all this excitement there will, of course, be the usual “refreshments”.
