12/00684/FUL, Two additional stables to existing block and an all-weather ménage Location; Wickenberry, Folly Road, Alfrick, WR6 5HN  
"This council considers that the proposed stables development provides a larger amenity than would be needed for private use so if allowed its use should be strictly limited to preclude any commercial use in any form now or in the future particularly in view of the long and very narrow access road to this property. The stable block, as proposed, would certainly be outside any plan to keep new development in proportion with existing local similar facilities."
