9. PLANNING

- **W/09/01922/LUE – Ms L Hyett, Whitsun Brook Farm, Hill Furze – Certificate of lawfulness (existing use) – use of land as the garden area to the farmhouse** – Concerns over the quality and detail of this application have been filed and a decision is awaited.
- **W/10/02601/CU – Mrs W Crowe, Long Acre, Station Rd, Fladbury - Change of use of section of river bank for boat mooring and construction of stages and slipway - WDC reply required within 21 days of 30//12/10 (i.e. 20/01/11 – however delivery noted as a week late).** An objection has been filed and a decision is awaited which could be significantly delayed due to further flood assessment, EA involvement etc., however flood/EA is only a part of the Parish Council's concerns with visual development being a major concern as well. The local MP has been notified due to the high degree of public unrest with this proposal. Chair Southcott will report.
- **WCC/11/000020/CM – Springhill Nurseries Ltd – Proposed anaerobic digestion plant, new roundabout access and associated ancillary infrastructure.** A list of concerns has been registered and a decision is awaited. However there is concern amongst the Parish Council, and also within WDC that the planning process is very weak with regards to involving not only the public but also properties as close as 60 metres away. Representations have been made to WCC and WCC Cllr Eyre that the situation is unacceptable for such a highly visible and potentially damaging project as also indicated by WDC long list of issues in their respective consultee role.

Travellers' consultation – Cllr Day will report.
