Flooding event October 2019.

Dear Resident,

Following the briefing given at the September 2019 Parish Council meeting on climate change – “*Our future in a changing world*” - the Parish Council will be discussing and hopefully finalising our **Parish Climate Emergency Declaration** at the Parish Council meeting on 18th November.

As we are all aware the climate crisis is and will continue to impact on all of us into the future. Consequently, it requires addressing across the whole of our community, and by all ages.

The Parish Council would be pleased to see all and everyone at the meeting to finalise this one-page declaration.

Subsequently the Parish Council is hoping to establish an **environmental working party** to gather ideas and also facilitate implementation. The working party will hopefully include representatives from the wider community and from the younger generation.

We look forward to seeing you all next Monday the 18th November, 7.30pm, Peace Hall, Sinton Green.

Lisa Stevens, Clerk & Responsible Financial Officer. **Date of publication of this notice: Monday 11th November 2019**
