Dear «Salutation»

**Belbroughton Post Office®  
24 High Street, Belbroughton, Stourbridge, DY9 9ST**

**Proposed move to new premises & branch modernisation**

I'm writing to let you know that we are proposing, with the Postmaster's agreement, to move the above Post Office branch to a new location – McColls Retail Group, 29 - 31 High Street, Belbroughton, Stourbridge, DY9 9ST. I'm pleased to tell you that, if the move goes ahead, subject to consultation it will change to one of our new local style branches.

This change is part of a major programme of modernisation taking place across the Post Office network, the largest in the history of Post Office Ltd. The Programme is underpinned by Government investment and will see up to 8,000 branches modernised and additional investment in over 3,000 community and outreach branches.

**What will this mean for customers?**

- Post Office services will be offered from a till on the retail counter in a modern open plan branch
- Longer opening hours
- The majority of Post Office products and services will still be available
- Improved accessibility

**Consulting on the proposed new location**

We're now starting a 6 week local public consultation and would like you to tell us what you think about the suitability of the proposed new location. Before we finalise our plans, we would really like to hear your views on the proposed location, particularly on the following areas:

- How suitable you think the new location and premises are and how easy it is to get there?
- Are the new premises easy for you to get into and is the inside easily accessible?
- Do you have any concerns about the new location?
- If so, do you have any suggestions that could help us make it better for you?
- Any local community issues which you think could be affected by the proposed move
- Anything you particularly like about the proposed change

I've enclosed an information sheet that provides more details about the new location and the range of products that will be available. If you have any comments or questions, please email or write to me via our Communication and Consultation team, whose contact details are below. Please note that your comments will not be kept confidential unless you expressly ask us to do so by clearly marking them "In Confidence". Any information we receive will be considered as we finalise our plans for the new branch. Other people in your organisation may be interested in this proposal, so please let them know about it.

You can share your views on the proposed move through our easy and convenient new online questionnaire via the link below. When entering the site you will be asked to enter the code for this branch: 20620899

### Dates for local public consultation:

Local Public Consultation starts	6 November 2015
Local Public Consultation ends	18 December 2015
Proposed month of change	February/March 2016

Posters and leaflets will now be displayed in branch to let customers know about the changes and to ask their views. I've included information about the Code of Practice over the page and copies of the Code will also be available in branch.

Thank you for considering our proposal. At the end of the consultation I'll be in touch again to let you know our final plans.

Yours sincerely

**Will Russell**

## **Code of Practice for changes to the Post Office® network**

### **What's a Code of Practice?**

The Code of Practice contains guidelines we follow. They tell us how, and when to tell you about changes to your local Post Office services. We've worked with the independent statutory consumer watchdog on these guidelines, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland, the Consumer Council.

### **What kind of changes does it include?**

Information about when we're planning to move or close one of our branches or outreach services. This also covers information about when a branch has suddenly closed unexpectedly because of something like a flood or fire.

### **Who do we tell about changes?**

You and your representatives (who are often local MPs or local authorities and councils).

### **How will we tell you what's happening?**

If there's a minor change – like changing opening times, then we'll let you know by putting up posters in the Post Office. If the plan is to move a Post Office then we'll put up posters and hand out letters in the branch as well as writing to your representatives. We'll have a press release and, the relevant information will be easy to find on our website.

### **How long will it take?**

We'll let you know about any changes as soon as we possibly can. Sometimes, change is out of our control but we'll try to keep you as up-to-date about what's happening as much as we can. We try to make sure you have 4 weeks' notice before anything happens. If we're going to make big changes, there'll be a 'consultation period' which lasts about 6 weeks. This means that you've got time to let us know how you feel.

### **It's easy to let us know what you think...**

We want to hear what you and your representatives think about change and to make sure it's easy for you to let us know, all of our contact details can be found on all our posters and letters. You can contact us by email, letter or phone.

### **How will you find out about the final plans?**

We'll be letting you know in as many ways as possible. There'll be posters put up in or around your local area, letting you know what's going on. We'll also write to local representatives and, the information will be on our website.

If you let us know what you think, we'll make sure you know about our final plans either by writing to you, or having the information easily available in the Post Office or on our website.

### **What can you do if you think we haven't followed the Code of Practice?**

If you don't think we've followed the Code, then please write to us or email us via the contact details included in this letter and let us know why.

To have a look at the full Code of Practice, it's on our website at [www.postoffice.co.uk/transforming-post-office](http://www.postoffice.co.uk/transforming-post-office)
