

# Young artists required to design posters!

To try and combat the increase in dog fouling

## Warndon Parish Council

is urging dog owners/dog walkers to be responsible when disposing of their dog's waste.

**To help us to do this, we are calling on the young members of the community to design a poster.**

The ones chosen by the Parish Council, will be reproduced and placed in different locations in the area.

To keep to government guidance, it is suggested that a photograph is taken of the poster and sent to

**[DawnMerriman@WarndonParishCouncil.org](mailto:DawnMerriman@WarndonParishCouncil.org)**.

You may include your name on the poster if you wish.

*Please take care when taking the photograph, to ensure once the poster is reproduced it is of good quality.*

***We look forward to receiving your artwork!***
