Employment or business

A short description of any job or business carried out by you including any trade, profession or vocation including the name of your employer. You are required to declare any employment or business even if it is not within the Council's area. You are not required to declare what income you receive.

The name of any person or body (except a local authority) who has helped you with expenses associated with your election or your duties as a Member. Sponsorship includes another person paying expenses which you would otherwise have to pay. Any payments and statutory allowances received

Contracts with the Council

Brief description of the nature and length of any contracts for goods, services or works which you have with the Council, either directly or as a partner in a firm that has such a contract or as a paid director of a company which has such a contract or other body, under which the authority is the provider or the recipient of goods, works or services, or if the contract is with a body which you have declared under the heading "Interests in companies and shares". This includes contracts with the Council even if the works, goods or services are for third parties, e.g. a voluntary organisation. Only contracts which have Land

Details, e.g. address of any land, or buildings in the area of the Council in which you have a beneficial interest (freehold or leasehold or a short tenancy), either of your own, or jointly with one or more other people. You have a beneficial interest in land if, for example, you own, you rent, you are entitled to the proceeds of, or you may, under a trust, become entitled to the proceeds of that land. This includes your home address if you own, lease or rent it. Excluded is land where you are a trustee for other people or where you are an executor or administrator of the estate of someone who has died and have no

for this purpose includes houses, buildings, and the interest of a mortgagee. It excludes anage rights, rights of way, and other rights which do not entitle you (whether alone or jointly with others) to occupy the land or to draw income from it.

The requirement to register the interest of a mortgagee does not mean that if you have a mortgage on your house you have to declare it. Mortgagee' is the person who lends money to another on the security of a mortgage. If you are a mortgagee, you need to give the address or description of the relevant property, not the fact of the mortgage, or the name of the borrower.

Securities means shares, debentures, debenture stock, loan stock, bonds, units of a collective investment scheme within the meaning of the Financial Services and Markets Act 2000 and other securities of any description other than money deposited with a building society/bank. The name of any person or other body who has a place of business or land in the Parish Council's area and in whom you have a beneficial interest in a class of securities of that person or body that exceeds the nominal value of £25,000 or one hundredth of the total issued share capital (whichever is the lower), e.g. if the company has 100 £1 shares and you have one share you need to declare the interest. The value of shares is the face value (the value recorded on the share certificate) not the current market value. For example, you bought 10,000 £1.50 shares (face value) in 1999. The market value at that time was £3.00 each, so the total paid was £30,000, but the shares are now worth £45,000. The nominal value of the shares would be £15,000 (10,000 x £1.50). Therefore, you would not be obliged to enter the shares in the register of interests, even though the current market value of the shares is £45,000. It is not necessary to declare the size or nature of the holding, simply the name of the company or other body. You have a beneficial interest in a type of share if, for example, you own, you are entitled to the proceeds of, or you may, through a trust or will, become entitled to the proceeds of that type of share. You do not need to register any such interest that you have as trustee. If you know the companies in which your PEP, ISA or pension fund has invested and:

- those companies have a place of business or land in the Council's area; and
- your beneficial interest in the investment is greater that the levels indicated above,

then you need to register that interest. You are only required to register interests which are known to you. The Code does not require you to investigate the investment portfolio of any PEP, ISA or pension scheme to which you may belong.
