

Statement pertaining to Annual Governance and Accountability Return 2024/25

Form 2 – pages 3 and 6

Page 3:

The total annual gross income for the authority for 2024/25 was £2353, and the gross expenditure was £2419

Page 6:

The variation (from the previous year) in income (line 3), relates to several payments in arrears received from Worcestershire County Council for reimbursement to the parish for Stockton's lengthsman, Chris Bunn's services.

The variation (from the previous year) in total expenditure (line 6) is due to not having any additional significant parish expenditure as we had in the previous year for the village Coronation Party.
