

QUALITY OF LIFE

4. Public Service

THE PRESENT SITUATION

Public services are provided as follows:-

Water and sewage disposal – Severn Trent Water (where mains sewerage is provided)

Electricity - MEB/Aquila

Street Lighting – Parish Council

No mains gas supply is available in the Parish.

Issues

- Standard of mains water supply.
- Flooding at Trimpley Lane and Arley Lane.
- Sewerage concerns.
- Street lighting
- Frequency of interruptions to electricity supply.
- Poor telecommunications facilities.

Actions

Stakeholders

Timescale

Improve mains water supply east and west of the river.

Severn Trent Water

Medium term

Link Pound Green to mains sewerage

Severn Trent Water

Medium term

Maintain the existing street lighting to a good standard.

PC

Ongoing

Reduce the frequency of interruptions to the electricity supply.

MEB/Aquila

Medium term

Policy Statement

The Parish Council seeks to ensure the provision of good and sufficient public services for all residents.
