Section 3 – External Auditor Report and Certificate 2017/18

In respect of

UPPER ARLEY PARISH COUNCIL (W00146)

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2018; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2017/18

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has restated the 2016/17 figures in accordance with the comments made in the external auditor's certificate. The smaller authority has not however provided an adequate explanation for the variance between the prior and current year values in Box 4 of Section 2. As a reminder Box 4 should include all the costs incurred by the authority in relation to the employment of its staff. It includes employment expenses which are benefits (for example, mileage and travel expenses) but it does not include payments made in respect of office expenses reimbursed to employees or the costs of engaging agency staff or consultants (these expenses form part of the amount shown in Line 6). The treatment of income and expenditure items should be consistently presented between the current and prior years so any changes in the current year should also be reflected into the prior year.

3 External auditor certificate 2017/18

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2018.
