

MINUTES of a meeting held at **10.00 am on Tuesday, 31st July 2018**

Venue: Village Hall, Harvington

Present:

Chris Haynes	Chairman
Kathy Haynes	Admin and PR
John Langley	Parish Council
Gill Smith	Housing and Parish Council
Clive Allen	Environment
John Colebrook	General

- 1. Apologies:** Apologies had been received from Maureen Hall and Les Hancock
- 2. The Minutes of the last meeting** to be signed by the chairman when available but no objections raised.

3. Chairman's Report

- 3.1.** CH reported that he had changed two categories of comment type to fall in line with planning categories, namely objections and support.
- 3.2** This meeting will continue the 'triage' to considering the objections that were not going to be considered by Neil.
- 3.3** A list of FAQ to be drawn up in light of the comments raised.
- 3.4** CH also reported on the new legislation issued and stated that we may have to show evidence of the historic rate of windfall sites in order to provide for the future (Neil to advise). We may need a housing target set by the SWDP (Neil to advise). Provision of social housing is not part of the NP remit and we cannot set a proportion.
- 3.5** Country street scape document regarding on street parking suggests one parking space per bedroom. If a garage is attached to the property it is not counted as a parking space (due to potential conversion to accommodation as a later stage). This information to be included in the ERJ document.

4. General Discussion based on the main themes raised.

It was thought to be helpful to discuss main ideas raised as many repeat comments were made about the same issue. A list was drawn up which is to form the basis of FAQ's. The main discussion centred on issues like the development site, Development boundary and the community space.

5. Conclusion

All the objections were considered and actions noted on the data base. Many will be covered by FAQ's.

6. Any Other Business

Chris Haynes to meet with Neil Pearce 31st July 2018 after the SG meeting.

7. Date and time of next meeting: 2.00 pm, Thursday, 9th August 2018, to consider any changes made by Consultant's involvement.

The meeting closed at 12.10 pm.
