

STOCK AND BRADLEY ANNUAL PARISH MEETING

2020

Report from – Stock and Bradley Relief in Need

(Jones and Collier)

In the 1600 three parcels of land was bequeathed to the Parish by Mr. William Jones and Mr. Henry Collier. The rents from these were to provide for the needs of the poor in the Parish of Stock and Bradley.

Since then, things have moved on, and today the income received is to provide Christmas Gifts for those in the Parish of Stock and Bradley aged 80 and over.

There are five Trustees who administer the Trust.

They are – Keith Hill, John Sidaway, Wendy Elvins, Jim Hackett and myself.

At present, we have 15 recipients of the Christmas Gifts and we are always pleased to hear of those who are eligible and would like to be included.
