At a Parish Council meeting held yesterday, Council agreed to the attached response to the SWDP Consultation – Test of Soundness and Legal Compliance.

This document was originally prepared by Martley Parish Council who have given us the permission to use it as Clifton upon Teme Parish Council are in total agreement with the views expressed. The villages of Martley and Clifton upon Teme both feel they are having similar problems with the SWDP. We have added paragraph 3 to the document so it is not entirely identical. I am also attaching a copy of the letter from Cllr Boccock to Harriet Baldwin referred to in the document.

At the meeting last night attended by over 100 parishioners there was a very strong feeling that they had not been consulted over the preferred site. They received little or no notification of consultation events.

We look forward to receiving your acknowledgement of receipt in due course.

Clerk
