Parish Report Knighton on Teme 2023

Knighton on Teme has not raised a Parish Contract for this quarter, priorities raised in the last quarter were speeding, theft outbuildings and theft farms.

Speeding: The volume of traffic through Knighton on Teme is low, but we are aware that speeding is still an issue at Newnham Bridge. The Road Safety Team continues to attend with the van and the bike on a regular basis.

Theft: (Outbuildings) referrals to Mike Simpson re workshops, security, and crime prevention and van days at farms and businesses, work with Nigel Bolton.

Theft farms: No report received.

A report was received recently regarding a suspicious vehicle in the area after dark. This vehicle was checked out and the driver was in the area on legitimate business.

We remain committed to engagement with the community with visits to the local coffee mornings, and Parish Meetings; Martley and Tenbury SNT are always available by email for questions, queries, etc.
