***The meeting was adjourned for Public Question Time***

*Notes can be found at the end of these minutes.*

---

- 3. Planning:** To discuss and comment on the following planning application:

---

20/00683/FUL	The Springs, Salters Lane, Lower Moor, Pershore, WR10 2PD	Proposed siting of 7 infill holiday lodges within the existing confines of the springs holiday park
--------------	-----------------------------------------------------------	-----------------------------------------------------------------------------------------------------

---

The councillors did not support the addition on the further caravans to the site and resolved to object for the following reasons:

- The proposal would create additional vehicle movements in Salters Lane, a rural lane already encumbered by existing traffic to the site.
- Further development would put extra pressure on the sewage station which was already operating above capacity.
- The additional number and density of caravans in the local area would further harm the wider rural landscape and erode the sense of place and overall quality of the area.

The meeting was closed at 7.25pm.

### Public Questions
