- 21/01/04 Powerpoint presentation on NP report** Chris Fabray presented an in-depth Powerpoint report and date relating to the current Neighbourhood Plan and discussed each page in detail and asked if there were any questions. Point raised by Cllr Baker regarding the on-going Perryfields development which needs some clarification from BDC which is slow in being received. If the Perryfields development goes through as well as development within the NP then there will be major traffic issues which need to be highlighted prior to any agreement being met. Cllr Webb is also trying to progress this with them and will report back once response is received.
- 21/01-05 Discuss and Approve NP report and evidence base (13 appendices)**
Paul Crysell talked about the evidence that the Steering Group had gained from residents who had completed questionnaires or attended workshops to raise their concerns about the area and what is most important to them within the area at the moment. Data evidence gained relating to the environment, green spaces and climate change amongst other issues were discussed and will be sent to BDC to back-up the findings within this report
It was agreed by all members present to approve the NP report and evidence base (13 appendices)
