

Pebworth Parish Council
Minutes of an Ordinary Meeting of the Parish Council held
At the Village Hall, Pebworth on Monday 6th December 2021

Present: Councillors: Richard Weller (Chairman), Denise Meynell, James Pearson, SJ Morrow, John Hyde & David Cranage

In attendance: District Councillor Thomas Havemann-Mart, Mrs D Bowles (Clerk)

Also in attendance: 3 members of the public.

149.	Apologies accepted for absence: Cllr Shiers
150.	Disclosures of Interests: Members were reminded of the need to keep their register of interests updated. Members were asked to declare any Disclosable Pecuniary or other Interests in items considered in virtual meetings and their nature. None declared
151.	Open Forum: The Chairman suspended the formal meeting for the Ward Members and public participation. a) Three members of the public were in attendance: <ul style="list-style-type: none"> • PIB informed Members that the trees for the Queen's Canopy have now been planted. The official opening ceremony will coincide with the Queen's Jubilee. They reassured Members that they will be maintaining the area. • The surface of the MUGA does not bounce very well. Whilst it was reiterated that it is a Multi-Use Games Area, Clerk was asked to investigate when the guarantee expires. • Query was raised regarding Honeybourne's VAS - Cllr Hyde has been unable to obtain any help from Honeybourne regarding this. Cllr Weller advised that the Parish Council is looking into the purchase of its own VAS. • Litter from the frog bin on The Close is escaping - this is due to high winds. To investigate replacing this at the next budget meeting. • District Councillor Havemann-Mart advised that the Asset of Community Value for The Mason's Arms is due to expire in February. He has requested a form to reapply for this. • Complaint regarding the noticeboard by the Church, request to clean it out. • The bin by the pub has been moved to across the road by the bus station. This is in a bad state of repair. District Councillor Havemann-Mart to investigate with WDC to replace this. • Discussions took place regarding Walnut Cottage which is in the conservation area. Cllr Weller suggested that this should be kept an eye on. b) County Councillor Alistair Adams sent his apologies along with a report (appended to the minutes) The Chairman closed the open forum and reconvened the meeting at 19:35
152.	To consider any matters in the Ward Member's reports circulated from County Councillor Alastair Adams & District Councillor Thomas Havemann-Mart District Councillor Havemann-Mart advised that another round of legacy funding will soon be opening. Cllr Pearson asked whether there was a possibility of a further amount to replace some of the wooden play equipment on The Close. Although he feels it is unlikely Pebworth will be allocated further funds District Councillor Havemann-Mart will look into this.
	It was unanimously agreed to bring item 169 forward so District Councillor Havemann-Mart could be present. Cllr Weller proposed to pass a resolution to exclude the public under Public Bodies (Admission to Meetings) Act 1960 to discuss a confidential matters. This was unanimously agreed. The matter was discussed in full. Two Members are to put together a response which District Councillor Havemann-Mart will take forward.
153.	Acceptance of Minutes: The Minutes of the Ordinary Parish Council Meeting held on Monday 1 st November 2021 at the Village Hall, Pebworth were considered and approved by the Council to be a true record of the meeting and were signed by the Chairman.
154.	Planning Matters To Consider: a) 21/000035/CM – Retention of existing facilities, operations and access at MRW Long Marston: the installation of a wash plant and associated infrastructure for the processing of inert materials, to produce recovered aggregate and soils; the relocation of the waste sorting shed, workshop permitted under 18/000048/CM, and the provision of a new site office at Long Marston Works, Long Marston Rd near Stratford Upon Avon, CV37 8AQ. County Councillor Report
Month: December 2021
Prepared by Alastair Adams
Littletons Division, Worcestershire County Council

Dear All,

Wishing you all a wonderful Christmas and a very Happy New Year.

The latest news is as follows:-

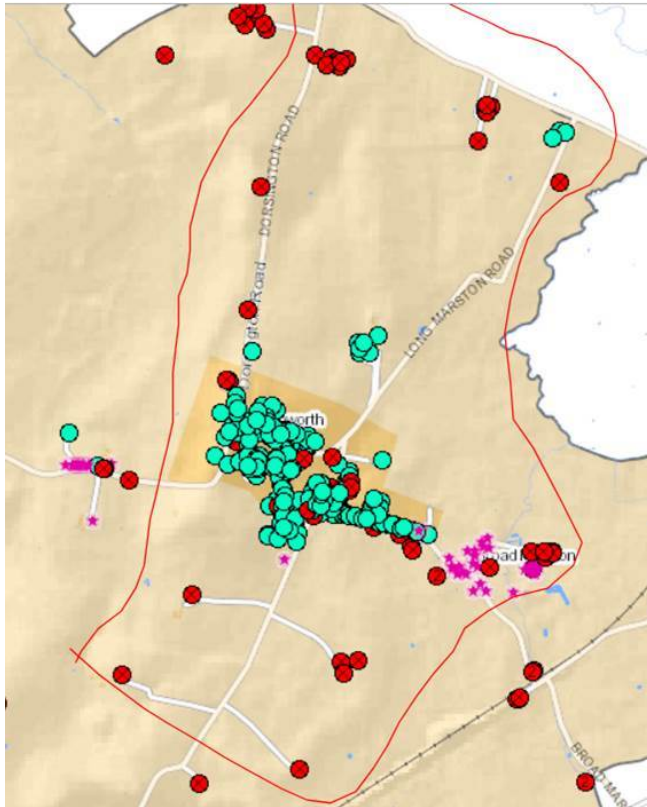

Update on flooding alleviation in Broad Marston

Further to the building of the flood plain in the Heart of England field, the next thing is to look at fitting non-return valves on any road gully outlet into the Noleham Brook. A drainage survey has been done, and a meeting took place on 1st December to look at these. Also a telemetry device has been fitted into the brook that feeds live information about the level of the brook back to the control centre in Pershore.

GIGA-VOUCHERS - BROADBAND- Stratford Rd/Honeybourne Rd

A quote has been received from Openreach for the 18 residents of Stratford Rd/Honeybourne Rd to have "Fibre to the Premises" fitted. We are hoping to finance this scheme using the Giga-voucher scheme provided by Central Government, and then to also use the top-up fund from Worcestershire County Council. Forms have been issued by WCC and Steve Mullins and Margaret Oliver are busy collecting signatures from the 18 houses so the vouchers can be claimed before Christmas. If successful these residents will have fibre to the premises fitted sometime next year, and eventually benefit from speeds of up to 1000Mbps.

Another quote has been obtained for the rest of Pebworth to get "Fibre to the Premises", and Richard Sharp and Simon Walker are working on getting residents to sign up for the scheme so the vouchers can be reserved. See map below which shows the houses in this 2nd scheme.

COVID-19 Update

Once again, COVID is having an impact on our lives, and rules and advice is changing.

To see the latest advice following the discovery of the Omicron variant click on the below;

<https://www.gov.uk/guidance/covid-19-coronavirus-restrictions-what-you-can-and-cannot-do>

It is important that we all use personal judgement to manage our own risk. All of us can play our part by exercising common sense and considering the risks. While no situation is risk free, there are actions we can take to protect ourselves and others around us. Wear masks in public areas, be vaccinated, and stay at home if feeling ill. Last month I had my booster shot, and a flu jab too.

Unfortunately, my wife tested positive for COVID last week (just days before her booster shot) so is currently in self-isolation. The realisation that she had COVID was very frightening for both of us as you do not know what to expect as the media is full of horror stories. Luckily, Dawn seems to have had very mild symptoms, headache, head cold and tiredness. She is on the mend and her 10 day self-isolation will soon be over. I have had a PCR test using the drive through testing centre in Evesham leisure Centre, and have a lateral flow test every day. So far I'm negative.

COVID & Vaccination statistics and information are available on the links below:

Highways:

To see roadworks in the area over the next month, please visit <https://one.network/> to see all the details.

1. **Pavement along Broad Marston Rd from the Mason Arms to the Old Fire Station** – Good news, I have heard this section of pavement will be re-surfaced next year.
2. **Blocked culvert near Martins Corner** - I met the resident with the Highways inspector and an advisory was raised to modify the kerbing to protect the drain. Also an email was sent to Warwickshire Highways about a collapsed culvert under Dorsington Rd .

As always, if you have any issues on any Highways matters, please report it on the WCC website

http://www.worcestershire.gov.uk/homepage/98/report_it

Also remember a photo of the Highways problem is as good as “a thousand words” so always take a photo where possible.

Section 278 Scrutiny

I have started a scrutiny on Highways section 278 on ways to get developer funded infrastructure built quicker.

County Council Budget Budget Scrutiny

I am also on the scrutiny group looking at next year’s budget

Clear leaves and debris off the top of the gullys grates

At this time of the year, lots of leaves fall and can cover the road gullys grates preventing water flowing easily into the drain and thus causing road flooding. So check all your village road gullys and remove any leaves/debris from the top of the grate.

Winter Gritting programme has started.
