4. West Malvern Playing Fields

An open discussion on what improvements residents would like to see put in place financed by S106 contributions from the planned development on Broadlands Drive:

The Clerk confirmed that the development had started and funds would be available when the first house was occupied. Two companies had been invited to supply quotations for improvements to the play area and the installation of new equipment. These would be considered by the Parish Council.

A scheme to install a bike 'pump track' on the far area of the bottom field was still in its infancy and further public consultation would take place after the current Covid 19 lockdown restrictions were lifted.

The Clerk also confirmed that he expected some S106 funding to be available following the approval of the planning application to convert Adelaide House into 8 dwellings. He was liaising with MHDC over this.

5. Questions & Comments From The Floor Regarding Other Parish Matters

No further matters were raised.

There being no further business the meeting closed at 7:50 pm
