Once approved, the Motion/decision is called a "resolution"

- **Resolved** – Where a decision is made about a Motion.

- **Duly Approved** – Motions where a formal vote took place, accepting the Motion.

 Duly Accepted/Agreed – Motions where no formal vote took place but the action/recommendation within the Motion or debate is to proceed. Usually for non-financial matters or for items already agreed as part of an existing budget.

- **Declined** – Motion where a formal vote took place, with the Motion rejected.

- **Duly Noted** – Information not requiring a vote.

 Abstentions or votes against a Motion will be noted but the minutes will NOT always show individual names, unless Councillors have declared an interest and the transparency of that interest must be maintained.
