Members of the public may not take part in the Parish Council Meeting itself.

89/24 The Chair invited members of the public present to make short presentations to the Council.

(a) Public presentation(s) (including planning applications representatives)

Planning (if on Agenda):-

- (1) The Council Chair will ask the applicant/s or their representatives (if present) to put forward any points he/she wishes to make regarding their application
- (2) Other parishioners are then invited to put forward their comments
- (3) The applicant/representative then has the opportunity to respond to any points raised if he/she wishes to do so

There were no planning representations.

Other presentations:

Roger Luton - wished to express condolences to Mrs Holden which the chair also agreed on behalf of the Parish Council. Mr Luton continued it was encouraging to see the parish council working together on the playing fields. He noted the BFG have withdrawn support for the Suckley Festival and suggested to leave them alone to do whatever they want but still offer them the use of the playing fields. The Chair thanked Mr Luton for his help and assistance.

Julian Wilkins – presented two statements:

Suckley Parish Council may have concerns about the ability of the parish to cope with hosting two big events in the same year. The Suckley Festival Committee would like it noted that Suckley parish Council introduced the new Suckley Show in full knowledge that the Suckley Festival already takes place every year. The Suckley Festival Committee themselves offered to run their event bi-annually due to their own concerns of having two big events happening so close to each other.

Secondly, the Suckley Festival Committee will reconsider their decision to put on the Suckley Festival next year 2025 if this years events take place uninterrupted and without protestors or protests which are a clear and present danger in light of the anonymous letter received in mid-June and of which the Suckley Parish Council have been informed. Also, two questions:

Published minutes of a previous Suckley Parish Council meeting states that there will be a police presence at this years Suckley Festival. What presence has the Police agreed with Suckley Parish Council to provide?

Protestors are threatening to disrupt this year's Suckley Festival. This has the potential for unpleasant scenes that children will witness at what has always been a safe, fun, family day out. What measures have Suckley Parish Council taken to negotiate with the protestors with a view to diffusing the situation and for the protests to be called off?

The Chair stated the parish council would consider his questions and respond later in the meeting.

The Chair re-opened the Meeting

92/24 PLAYING FIELD

Cllr Gray thanked everyone who had been working on the playing field last weekend.

- (a) Pitch hire contract - a draft contract has been received from Worcester United for consideration. Cllr Gray expressed concerns that the section re grants was incorrect. Cllr Roper stated the parish council need to ensure Suckley teams are not excluded from use of the amenities. It was agreed to defer discussion to the July meeting.
- (b) Booking system – Cllr Savage has been unable to supply a system, so it was agreed to source an ‘off the shelf’ system. Clerk to see what is available.
- (c) Cllr Savage had previously reported a cut earth cable at the side of the pavilion. Thoughts are it is redundant but it will be checked.
- (d) It was agreed to increase the insurance value of pavilion and equipment from renewal in September.

93/24 HIGHWAYS & BYWAYS

Nothing much to report other than some good work has been carried out on drains in the area.

94/24 AGAR RETURN 2024

95/24 COMMUNITY - Projects/items for discussion/update:-

- (a) Village Show inc bank account
It was suggested using the Playing Field bank account for the show with Cllr Savage as treasurer. It was agreed to discuss at the July meeting.
Having considered the earlier statements and questions by Julian Wilkins the Chair answered the first question that no specific type of police presence has been discussed or agreed. To the second question no discussions have taken place and nothing has been agreed as the protestors are not known.
- (b) Parish Survey inc proposal document
Both the survey and the proposal document have been uploaded onto the parish council website.
- (c) Notice Boards
Nothing further to report. The notice board has been taken down from the White House crossroads bus shelter and is awaiting relocation.
- (d) Newsletter
Cllr Lewis was going to look at a different format. Cllr Mansell thought it was not a good idea to compete with The Sphere so a six or twelve month PC newsletter would be preferable. Cllr Mansell proposed, Cllr Lewis seconded and unanimous to post online and make a few hard copies available.
- (e) Parish Map
Cllr Ormerod reminded those present that, at the meeting in January 2024, it had been agreed to defer decisions on this item to allow further time for agreement on which locations should be highlighted on the map board. He proposed that the following changes should be made for the new map by removing The Hop Kilns

and Tundridge House and, as requested by the proprietors, removing Pewcroft Farm and Park House Farm. To maintain the existing balance and general appearance of the map while reflecting relevant changes, Cllr Ormerod proposed that four new entries be included: The Hop Shed, Lower House Dairy, the Quarry/Memorial and Cradley Brook/Leigh Brook, all being of potential interest to tourists. Should the open/closed status of any establishment change then this could be accommodated by a (removable) sticker. These changes were agreed and the outstanding contributions from a few establishments would now be chased, an approach made to the Hop Shed and Lower House Dairy, as well as updating of the credits shown along the bottom of the map. It was proposed by Cllr Mansell, seconded by Cllr Roper and unanimous for Cllr Ormerod to proceed.

- (f) Bus shelters as book exchanges
There are three bus shelters which are not used for anything. To use as a book exchange would require some shelving or a cupboard. It was agreed to try one shelter at Longley Green. Cllr Philpotts thinks she may have a suitable cupboard. Proposed by Cllr Philpott, seconded by Cllr Lewis and unanimously agreed in principle.
- (g) Pop-up campsite
Cllr Lewis provided some information. There would need to be an investment in firepits and a decision where items could be positioned on the playing field. He suggests a six week period next summer 2025 and initially tents only.
- (h) Defibrillator, training & Buddy system
This needs someone with professional knowledge to provide input. The name of a retired doctor was suggested. Some training needs to be provided and a buddy system would be useful. There are two defibrillators in the parish, one at the Primary School and one at the Bruff Business Centre.
- (i) Communication
It was agreed that no decisions should be made on Whatsapp. Correspondence including emails should be from the Clerk following discussion by the parish council. They can be drafted by councillors as they may have specific knowledge but drafts to be circulated before sending. Cllr Gray apologised for any embarrassment he may have caused with previous communications.
Cllr Gray has also created a new facebook page Suckley PC 2024. It was agreed to discuss further at July meeting.
A second anonymous letter has been received which was discussed and will be filed.
