**69/13 District Councillors' and County Councillor's question and answer session**  
No District or County Councillors attended the meeting.

**70/13 Response to planning application 13/0522 (Fiery Hill Road)**

Cllrs considered a first draft of the Parish Council's response (Enclosure A).

It was noted that the 40% affordable housing rule was not being rigorously applied and that this ought to be referred to in the Parish Council's response.

It was agreed that the focus of the Parish Council's objection should be to reduce the density of development.

It was further agreed that Cllrs Hotham and Whitehand should take a lead in finalizing the response and distribute a draft document for consideration and comment by other councillors prior to submission.

**71/13 Planning**

Cllrs considered the report (Enclosure B) on planning applications received and decisions taken by the District Council and agreed the recommended Parish Council attitudes to applications not previously considered.

Cllr Whitehand was asked to prepare a recommendation in connection with application 13/0664, 17 Hewell Lane.

Cllrs noted that building work had begun on the site of the former Guide Hall in Hewell Lane. The Executive Officer was asked to investigate what could be done to secure safe passage for pedestrians past the dwelling and over the railway bridge during, and after, construction.

**72/13 Environment**

(i) Cllr Banner reported on the following environmental issues:

- Winter planting of the tubs on Hewell Road;
- The growing nuisance arising from dog faeces;
- The hazard arising in icy weather from the rain dripping from the canopy outside Tesco.

The Executive Officer was asked to arrange the winter planting in conjunction with 'Where Next?', to organise appropriate dog fouling signage at the top of Orchard Croft and to contact Tesco.

(ii) Cllrs considered the purchase of a bench to be sited at the junction of Bittell Road and Bittell Lane. It was agreed that, before proceeding further, Cllr Banner should ascertain the attitude of the owner of the bungalow outside which the bench would be sited.

(iii) Cllrs considered the suggestion that the old Telephone Exchange on Hewell Road be listed as a building of special interest as it displayed one of few plaques marking the brief reign of King Edward VIII. It was agreed that Cllrs Banner and Hawkey carry out further research and that the matter be considered at a future meeting.

## Barnt Green Parish Council

- (iv) Cllrs agreed that Whiting Landscapes should supply and plant two English oak trees in Parker's Piece at an estimated cost of £230 + VAT. Cllr Hawkley indicated she would make the necessary arrangements.
- (v) Cllrs noted that Wicksteed had not yet replied to the Parish Council's concerns about the safety and maintenance issues arising from the glade play equipment in Millennium Park. It was agreed to carry this item forward to the next meeting.
- (vi) Cllrs agreed that assistance should be sought with the safety checks at Millennium Park and Parker's Piece. Cllrs asked the Executive Officer to contact a resident that they felt might be willing to assist.

### 73/13 Community

- (i) Cllrs considered the draft literature (Enclosure C) for the proposed walks in and around Barnt Green. It was agreed that:
