The Minutes of the meeting held on Thursday 11<sup>th</sup> September 2014 were accepted as a true record of that meeting and were signed as such by the Chairman of the meeting.

## **4. Matters arising**

None.

## **5. Reports from District and County Councillors**

District Councillor Bronwen Behan advised the meeting of three matters:

a. The Development Plan was likely to be adopted and submitted to the Inspector in the near future in which case, if the Plan (including the proposal of 4 development areas – not 3) were accepted, the 5 year land supply would be assured and intending developers would face a higher bar. It was hoped that acceptance by the Inspector would be in February.

She commented that development was required to be concentrated on sites in categories 1 and 2 and that it followed that development in Corse Lawn, being in category 3 (proposed, or 4 current), was very unlikely. She also said that, despite the foregoing, developers could until the Development Plan was in force propose a development (of 5 or more houses) in Corse Lawn but would have to prove not only a local need but also the existence of adequate infrastructure (e.g. electricity, sewerage, drainage).

b. She advised that MHDC was to have a new Chief Executive from 1st December. He is Jack Hegarty; he will also be Chief Executive of Wychavon District Council.

c. Mrs Behan also said that from 2015 the EU was increasing the period when hedges were permitted to be trimmed: it would be from 1<sup>st</sup> March to 31<sup>st</sup> August. This would have implications for ditch clearing, a matter under consideration by drainage boards.

**6. Reports from Police**

**7. Public Comment**

**8. Planning**

**SUMMARY OF PLANNING DECISIONS SINCE LAST MEETING**

**13/01565/HOU**

Erection of home office/gym

- The Old Forge Bridgend Eldersfield GL19 3PL
- Mr Scott Winnard

*Council's Comments:*

The proposed extension to the Old Forge will dominate and totally overpower the character of the Old Forge. We appreciate that the Old Forge itself is very small and that a modest and sympathetic extension would be beneficial.

Accordingly, we do not support this proposal.

We recommend that:

1) the applicant liaise with the Planning Officer and seek a more sympathetic proposal, e.g. by reducing the size and by using materials in keeping with the Old Forge;

2) comprehensive landscaping be a condition of any future planning consent

### **9. Catering Equipment Hire**

The Chairman advised the meeting that the tariff applied for the hire of Council catering equipment had been in force for many years and that a review was now appropriate. He offered to make a report to the next meeting in order that Council could decide what action, if any, to take.

Members accepted his proposal.

### **10. Shed**

The Chairman said that it had been brought to his attention that the Council's shed required repainting. Members concurred. It was, however, thought that repainting should be delayed until the spring when the weather would, with luck, be drier.

### **11. St John the Baptist**

A request received from the Parochial Parish Council of St John the Baptist for financial assistance with the costs of maintaining the churchyard was noted. It was **RESOLVED** that a grant of £600 be made to the Parochial Parish Council of St John the Baptist for those purposes.

### **12. Corse Lawn Women's Group:**

The request from the CLWG for a grant for £80.32 in respect of meetings held by the Group was considered and it was **RESOLVED** that a grant of £80.32 be made to the Group.

#### **16. Other business**

It was noted that

- the School had received a grant of £33,000 for the improvement of the kitchen;
- closure of the A438 (at the M50 crossing) was causing great inconvenience; the Clerk was asked to write to the local MP;
- the third grit bin at Hogg's Pitch had not materialised;
- the cattle grid in Nash End Lane and those at both ends of Marsh Road (as well as the gates to either side of the grids) required attention; the Clerk was asked to advise Highways;
- parking near Corse Lawn garage was on occasions causing inconvenience; the Clerk was asked to advise Highways;
- the offer by the NHS to hold an informal diabetes and coronary heart disease diagnosis clinic was noted; Mrs Powell-Chandler was asked to investigate further.

There being no other business, the meeting closed at 8.50 p.m.
