23/16	Planning matters.
23.1	<p>It was agreed to comment on the following application received: a) W/16/00567/PN – Agricultural building off The Green, Rous Lench. Proposal: Conversion of former poultry shed to one residential dwelling and associated works. Comments: The Council has no objection as the single storey design is in keeping with its position. The Council is aware that the development is outside the Location Strategy for New Development (GD1) but within the conservation area. There was some concern regarding the name of the development as there is already a house in the village with the name 'Blacksmiths Orchard'.</p>

Meeting closed at 7.45 pm.
