The Tewkesbury representatives had no additional information to offer on the status of any future planning application.

The potential construction of a new railway bridge north of Ashchurch Camp and likely congestion on the A46 were discussed.

It was noted that Jack Hegarty and Andrew Ford of Wychavon DC, have still not responded to the issues raised at the meeting on 4th December 2017 at Pershore.

6. Byelaws and Risk Assessments.

The Chairman and Clerk met with Sally McFadden (Solicitor) of Thompson & Bancks last week to discuss draft byelaws and the Glebe Field trustee issue. An update will be provided at the May meeting.

7. Tennis Club Lease

No report.

8. Village Hall Working Group / Doors / Painting & Decorating

Good progress has been made on the external decoration. Installation of the two new front doors is scheduled to commence on Tuesday 1st May 2018. It was **agreed** that High Security Cylinders will be provided for both the new door and existing internal door.

9. Defibrillator.

Cllr Falvey has secured a grant from the British Heart Foundation for the defibrillator to be installed at the Spar shop. It was **agreed** to proceed with an application for a Lottery Grant for further defibrillators for the parish.

10. Bredon Community Play & Recreation (BCPR).

The Chairman reported on a somewhat fractious meeting with BCPR, attended by Cllr Sly and himself. A quotation (£1,545) from Adam Gallagher, for urgent works to various parts of the play area, was **agreed**.

11. Wooden Bus Shelter – Opposite Glebe Field.

It was **agreed** to proceed with the ordering of a bus shelter, to match the two shelters near the Surgery, from Worcestershire County Council. Cllr Bradley to progress with the Clerk.

12. Ideas for Future Use of Telephone Kiosks.

BT have agreed to the adoption of the kiosk at Bredon's Norton and documentation and payment (£1) is being processed. The Clerk will arrange for updated costs to provide a new door for the Westmancote kiosk.

A revised draft lease is with the parish council's solicitor for final review, prior to forwarding to the Landlord.

16. Section 106 Monies.

Following the Vice-Chairman's and Clerk's meeting with Heather Peachey of Wychavon, details of the fund available were circulated to the parish council for consideration. There are two sources of funding available, Blenheim Drive/Orchard Close and Oak Lane. Monies from the former must be allocated by February 2019.

It will be necessary to consult with the Sports Clubs in the parish. The Clerk will seek clarification from Wychavon on the specific areas of expenditure for the various funds. Further discussion at the May meeting.

The Parish Council has received a £2,000 donation from the Television Company for any inconvenience caused by the filming, which took place around St Giles church at the end of March. It was decided to offer this money, or a percentage of, to worthy causes within the Parish. This will

be advertised in the parish magazine, on noticeboards and via social media, for applications by the end of May 2018.

20. Gloucestershire 2050 Vision.

This item was deferred until the May meeting. Cllr Sly to report.

22. Correspondence for Information.

All correspondence was distributed on the Clerk's Report.

A complaint had been received about the siting of the new Dog Bin on a sign-post near East Barn Upper Wesmancote. Cllr Hardman will contact Mr Darby, the landowner, about clearing the hedge to the rear of the footpath stile and avoid having to use the gate for footpath access.
