3. **TO DISCUSS:**

- Precept / Budget requirement for 2019/20 – following lengthy discussion at the last meeting, dated 15th January 2019, the budget presented by the clerk was approved and that an increase of 9.6% (Precept £5800 + £323 Precept Grant) was necessary to accommodate the ever-increasing costs to be met by the parish council. This includes the payments made for the mowing of the church yard and Memorial Garden. A £500 allowance had been allowed to enable the parish council to build up reserves for tree works or maintenance to the War Memorial, Memorial Stone, noticeboards, defibrillator and benches – all of which are the responsibility of the parish council. Proposed Cllr Rabbette, seconded Cllr Dermont – all in favour
- Cllr Kibble advised that he had checked the defibrillator, and all was in order, and offered to lead a Defibrillator Familiarisation session for anyone interested in attending – dates to follow
