The District Councillor Election was also uncontested and Mrs E Eyres and Mr B Parmenter were duly elected.

6. To Consider The Bus Scheme Proposal.

The recent Bus Service Review will mean that the 559 bus service will **not** service Childswickham, although the parish council objected to the removal, there was not enough public support for the service. The 559 will continue Willersey- Evesham via Broadway, Wickhamford and Twyford, however the subsidy from the County Council has been withdrawn; there will be alterations to the service.

Cllr Eyres is pursuing a Broadway/Childswickham Hoppa Community Bus Scheme, which will service Childswickham and Broadway. Funding is available but will also need approx £1,500.00 per year from the parish council. The parish would need to raise the precept in order to accommodate the service approx .50p a month per household. The council agreed that the parishioners need to be consulted on this expenditure and will send a flyer to every household, we would urge you return the flyer as non return will be viewed as a no. Cllr Patrick will draft the flyer which will be delivered with The Villager newsletter at an approx cost of £25.00 which was agreed by the council.
