17th July 2019.
7.30pm
Remembrance Hall, Horsebridge Avenue, Badsey.
Councillors: Gary Bailey (Chairman), Mike Tennant (MiT), Alan Tutton, Becky Stanley, Andy
Wilson, Sue Keeler, Margaret Tyszkow, Lynn McDarby, Liz Chalmers, Phil Cordelle, David

The Clerk: Mrs Andrea Evans.

Public Forum

• 2 residents attended to raise the ongoing issue with the closure of the footpath that joins Hartwell Grange (Sladdens Close) and Synehurst. This path was part of the conditions of sanction of the application and agreed between the developer and the housing association. When contractors came to open the path, they had to abandon due to issues with residents on the housing association side. This path was one of the reasons that families with small children and elderly residents purchased the properties so that there is a safe route to access village facilities. Cllr Mark Goodge responding advising that it is in the hands of planning enforcement who are working with Rooftop to resolve the matter as soon as possible. He is in regular conversation with enforcement over this matter and that of the open space that falls short of requirements.

## **Business Transacted.**

1.	Apologies for Absence- Mike Gywnn.
2.	Declarations of Interest –
	a. Councillors are reminded of the need to update their register of interests.
	b. To declare any personal interests in items on the agenda and their nature.
	c. To declare any prejudicial interests in items on the agenda and their nature. (Councillors
	with pecuniary interests must leave the room for the relevant item(s)).
	d. Consideration was given to whether there could be a policy note for dealing with planning applications for neighbours of councillors. There are no guidance notes available for this matter. Discussion took place were it was agreed that councillors would need to assess whether any application could be seen as benefiting them and that if they do not declare an interest, they should be able to justify the reasoning for this. Being close to a property does not mean that they have any interest in it. Cllrs can always make a personal comment if they so wish.
3.	The minutes of the Parish Council Meeting held on 19 <sup>th</sup> June 2019 were approved and signed. Proposed
	by MT, seconded by AT, with a unanimous vote in favour
4.	Clerk's Report-
	Item 11b- Green Leys footpath-DMMO. Residents statements and maps have been returned. Aerial photos .and old photos have been received. Notice served. Application sent off. Acknowledgement received and request to confirm proposed path. Clerk signed and returned. Chased 29 <sup>th</sup> August 2013. Resident has emailed WCC re process. Process can take upto a year. Chased March 2015- person dealing with request has been off for 8 months so passed to someone else. Will be chased and advise of up to date position. Received a response, little action has occurred but will be looked at asap. Further telephone conversation with Richard Jones, Countryside Service confirmed that Member of staff .dealing with this matter has partially returned to work but was not on day of call (21<sup>st</sup> May 2015). Given the expertise of mapping, no other member has experience to take this matter forward. The matter would not be prioritised with the intervention of County Cllr. Agreed that case would be looked at and an email updating PC sent w/c 25th May 2015 for update at next meeting. Email received on 30th June 2015 confirming that case will now examined with a view to resolving the right of way issue Checked WCC webpage for information.
