9.1	<p><u>Defibrillator</u>: information received from the Hereford & Worcester First Responder Charity on the Defibrillator and Cabinet was considered.</p> <p>a) Other communities have recorded no electrical costs to date as the cabinet heater does not activate unless the temperature is below 4 degrees C. Was agreed that the initial costs of £20 per annum would still be paid to the Village Hall.</p> <p>b) Cabinet would have no external lock as the 4 Acre Trust who are part funding the Cost have found that invaluable time has been lost trying to get a code to open a cabinet due to poor rural mobile signal.</p> <p>c) The defibrillator supplied is not of the highest specification so in the event of the machine being used the battery and pads would have to be replaced, this could be a community cost.</p> <p>d) Memorandum of Understanding between the West Midlands Ambulance Service and the Parish Council circulated to members. Prior to the machine being installed two representatives will have to be appointed in order that visual checks are carried out on a weekly basis by one of the persons and to adhere to other requirements stipulated.</p> <p>Following the meeting members checked the site for placing the Cabinet on the external wall of the Village Hall and confirmed that its position would be a suitable fit.</p>
9.2	Nomination/s for The Chairman's Diamond Jubilee Community Recognition Award 2016/17. Members asked to forward details of nominations to Clerk by the 18 th December 2016.
9.3	<u>Smart Water</u> : two options on delivery to households of the smart water kits were discussed. It was agreed that a Saturday in January would be the best option to deliver the kits to households with the help of the cadets. Assistance would be required by members of the Parish Council. When date known it was agreed to notify householders by flyer and to book the Village Hall for refreshments for the cadets.
9.4	<p>Proposals for new parliamentary constituency boundaries in the West Midlands which if approved will result in the Inkberrow Ward being moved into an area covering Evesham and South Warwickshire. It was agreed to respond to raise the following concerns over the proposed changes:</p> <p>a) Objection to a cross boarded constituency as the distance between Evesham into South Warwickshire out to Banbury covers nearly 100 miles.</p> <p>b) Geographically this boundary will be difficult to cover for the MP.</p> <p>c) This will result in parishioners in a high rural constituency finding it much more difficult to be able to have a voice with their MP.</p>
