Council approved discussing this item without members of the public present further to advice received from the Council's legal advisers. Such advice relating to the confidential nature of the draft Heads of Terms of the proposed Deed of Easement with the Developer which remained subject to changes and ongoing negotiation with the Developer.

Council noted the further draft terms supplied by the Council solicitor and approved amending certain clauses and noted a number of anomalies. The document would be referred back to the solicitor for amendments. The solicitor would then forward this revised document to the Developer's solicitor for comment. A future Council will require to approve the final Heads of Terms and the resulting Deed of Easement.

Cllr. Margetts thanked the working group of Cllrs. Roberts, Green, Bradley and the clerk for the time spent on meetings with the Council solicitor and progressing the negotiations with the Developer.
