Any other business

The local police team had sent a report to all parishes highlighting local crime statistics.

There were 28 recorded in our area, which seems high but includes all serious crimes such as assaults which are not reported via neighbourhood watch or parish reports.

Local break-ins and burglaries have slowed down but have not gone away over the past year, residents are urged to protect their equipment with marking products such as Smartwater.

The team are now more mobile with laptops and smartphones enabling them to access their workload as it arrives via the phone. Local events showing people how to mark their equipment are held regularly around the area.

There being no other business the meeting closed at 7.40pm.

Signed

(Chairman)
