There is only one planning application currently out for consultation, namely 29 Green Slade Crescent. Details were circulated on 7 January and comments need to be received by me no later than 25th January.

2. To consider the publication of an advice note on commenting on planning applications

Please note that this has now been placed on the Parish Council website.

No decision required

3. Review of Planning Log

The following table is for information and noting by members. The table provides updates on decisions made by Bromsgrove District Council (Worcestershire County Council in the case of Log 771) on planning applications previously considered by Planning Committee.

No decision required.

Log	Ref	Address	Proposal	Meeting date	Comment	LPA Decision
771	19/000056 /CM	Pinches Quarry, Wildmoor Lane, Wildmoor, Bromsgrove, B61 0QN	Extraction of sand and gravel and subsequent infilling with inert waste to achieve full restoration	Delegated powers	Members were particularly concerned about what at happened at the Marlbrook Quarry where the limit of restorative fill was exceeded and therefore in respect of this application felt there is a need for robust monitoring in order to avoid overfilling and that measures be put in place to ensure that all infill material was genuinely inert. Furthermore that all vehicle movements only access and egress the site to and from the A491 and measures are taken to prevent debris spilling onto the highway.	No decision as at 14/1/21

Assistant Parish Clerk, Catshill and North Marlbrook Parish Council
