Autumn 2020

As we move into Autumn and look back on the year so far, I am sure that none of us could have imagined at the start of the year what would subsequently unfold. As we went into lockdown at the end of March, we set up a village helpline to offer support and help to anyone in the parish that needed it. I think the way that people were already looking out for each other is a credit to our community as this helpline proved not to be necessary.

Coronavirus cases are on the rise again and further restrictions are likely to try and stem this. As we all go about our lives please once again think of your neighbours, particularly if they are elderly, and just make sure that they are OK and have everything they need.

On another note some of you may have seen that after a couple of years without our own mower for the field the decision was taken earlier in the year to purchase a replacement. This has proved to be a good move as we are now able to control when it is cut and as a result many people have commented that the field has never been in such good condition. A special thanks goes to the small band of volunteers who, when they are able to get a turn, have done such a good job mowing the field. This combined with the perimeter path, play equipment and picnic tables mean we have an open space which I know many of you regularly enjoy and as a village we are lucky to have.

One unfortunate consequence of the current COVID restrictions is that regrettably we will not be able to hold our usual bonfire and fireworks

display this year. I know that this will be a disappointment to many but regrettably we just could not find a way for it to happen.

Finally, although the Village Hall has been closed, we have continued to hold our regular monthly Parish Council meetings via Zoom and we would welcome any parishioners who would wish to join us for these. Details of forthcoming meetings together with joining instructions can be found on the Parish noticeboard.

Act of Remembrance

The five parishes will be coming together for an Act of Remembrance at Fladbury Church on Sunday 8th November at 10.30am.

Due to social distancing numbers will be very limited attending and so there will be a ballot for 4 people from each village to take place on 1st November if you would like a chance to attend please email Alison Jeanes (paulalijeanes@gmail.com).

Plans are only just coming together and we are trying to work out if the service can be broadcast out live to the community and at 11.00am people could come together by standing on their drives or doorsteps to observe the 2 minutes' silence. More details will be sent out and put on the church noticeboard as soon as they have been finalised.

Bonfire cancelled

We regret that the bonfire has been cancelled for 2020. We will return with a bang (or probably quite a few) in 2021.

What is What3words?

What do you use when you want to find a place? A postcode maybe, or address? How about in the middle of a field? Ordnance Survey coordinates maybe. But imagine using those to describe a location to the emergency services.

What3words is a new way of mapping. The world is divided up into 3m squares, each with a unique three word identifier.

For example, the end of the Lower Moor cricket square is at
///skylights.tens.velocity

Crowle Searchers Football Teams

2020-2021

Established 2005

Crowle Searchers Football Club is a friendly and inclusive FA Charter Standard football club for children (boys & girls) and is a well-established club in the Ambassador Evesham Football League.

The Searchers currently has teams from U6s for all ages up to Under 17s and we are happy to welcome new players in the age groups below.

From the U8s and older the teams play on a Friday night for training from 6pm / 7pm depending on the age, and all ages play on Saturday mornings for friendlies / matches (at 9.30am or 11.30am depending on pitch availability) on the playing fields at the back of Crowle Parish Hall and also our other field at Lower Moor.

A recent addition is the Wildcats team for girls aged 5 – 11 years old who play on a Sunday from 9:30am – 10:30am at the Crowle Jubilee playing fields.

The club and all teams are run by FA accredited coaches and are all DBS checked, and our players come from a variety of local schools.

If you are interested, then please contact the named individual for your respective age group.
