Land adj Cornerways, Main Road, Hallow  
Refused 18<sup>th</sup> December 2013

In addition to previous comments in respect of the original planning application, members wished to highlight concerns in this geographical area in respect of the treatment of household effluent and sewerage. Problems were first reported to Worcestershire County Council on 30<sup>th</sup> July 2013 and Worcestershire Regulatory Services continue to investigate for the source of the leakage onto a public footpath.

**d) *Grimley Raceway:*** See Min 98/14 above.

**100/14 Highways & Footpaths**

**a) *Sewerage on Footpaths:*** Officers from Worcs Regulatory Services had confirmed that they had still not found the property at the source of the problems and would therefore give consideration to excavating the ground.

**b) *Parked Vehicles in Grimley Lane:*** Cllr Mrs Weston requested that the bollards were not sited in the verges until building work on site had been completed as lorries entering the site would most probably cause irreparable damage to the bollards.

**c) *Drainage on Sinton Green and adj Pound Farm:*** The clerk to once again report concerns over the deterioration of the headwall which was protruding into the highway.

Following discussions on the ineffectiveness of the ditches on Sinton Green, members agreed to defer a decision until a site visit at the end of the Parish Council meeting.

**101/14 Monkwood Green**

**102/14 Sinton Green**

**a) Silting of Local Ditches:** See Min 100c above.

**103/14 Area of Sand and Gravel Extraction**

Members noted that there had been no response from officers at Worcestershire County Council to the invitation to all relevant County Councillors and officers to view the current site of extraction, the impact on the village and highways and the problems remaining with the re-instatement of land on Retreat Farm. The clerk to send further requests/invites.

**104/14 Finance**

**a) Works for the Lengthsman:** Members highlighted the water across the highway near to Holywards Farm (the clerk to report a possible water leak to Severn Trent), the verge on the southern side of Grimley Crossroads (incl clearance of the milestone) and the clearance of drains and kerbing near to The Old Vicarage.

**b) To Receive, Consider and Approve the Bank Reconciliation:** Members noted and **approved** the previously circulated Bank Reconciliation.

**c) To Consider & Approve the payment of outstanding accounts:** Members **approved** the payments of accounts as in the presented schedule (attached).

**e) Request from Pre-School for Funding:** Members noted the request from the local pre-school for funding towards the new unit. In view of restrictions on Parish council expenditure and past advice, members **agreed** to purchase a piece of equipment for the unit to a net value of £200.00.

Members noted that the work to repair/re-instate the causeways had not commenced, new fencing had been erected but maintenance responsibilities of the western footpath were unclear and work had been undertaken on the pools that had changed the levels of the water.
